*"Double, double, toil and trouble;  
Fire burn, and cauldron bubble."*

—Shakespeare

Shades of Macbeth, our Senior English class, and you. Each year your Senior English classes are introduced to Shakespeare, Macbeth and the three witches, and each year they leave with a deeper and richer appreciation of the works of a great man because of your keen and sensitive interpretation of his many characters.

While we recognize that Shakespeare is, perhaps, one of your greatest interests, we also know that your other interests are many and varied. Extensive reading, writing poetry, and strumming your ukelele certainly show the breadth of your activities.

Born the daughter of a minister, in Topeka, Kansas, you received your elementary and secondary education in many different localities as you accompanied your father in his appointed ministries. For your advanced education Western College in Oxford, Ohio, became your Alma Mater. Following graduation, several teaching positions gave you your experience before coming to Beaver Area, one of which was in San Juan, Puerto Rico, until illness caused you to return to the states.

Later, after marriage to Mr. William Hokman and the raising of a daughter, Jennifer, you returned to your chosen profession by accepting a position in Midland High School. When the opportunity presented itself, you transferred to Beaver Area High School—Midland's loss and our gain. Since coming to Beaver you have taught Sophomore as well as Senior English. While directing class plays may be thought of as an extra-curricular activity, you have inspired the casts with the desire to do their best, a good example being this year's Senior Class Play, "The Remarkable Incident at Carson Corners." As sponsor of the National Honor Society you have exercised great influence in raising the standards for admission as well as inspiring members to greater heights of educational achievement before and after graduation from high school.

And so to Mrs. Genevieve Hokman, who loves people, particularly young people, who has dedicated her life to educating and helping those young people, whose interests are so many and varied, and who never ceases to demonstrate a rich enthusiasm for her work, we proudly dedicate our Shingas.

**Mrs. Genevieve Hokman**

The Board of School Directors proudly presents to you the new Beaver Area Senior High School. Its dedication marks the happy completion of a long-planned step in the development of our public schools.

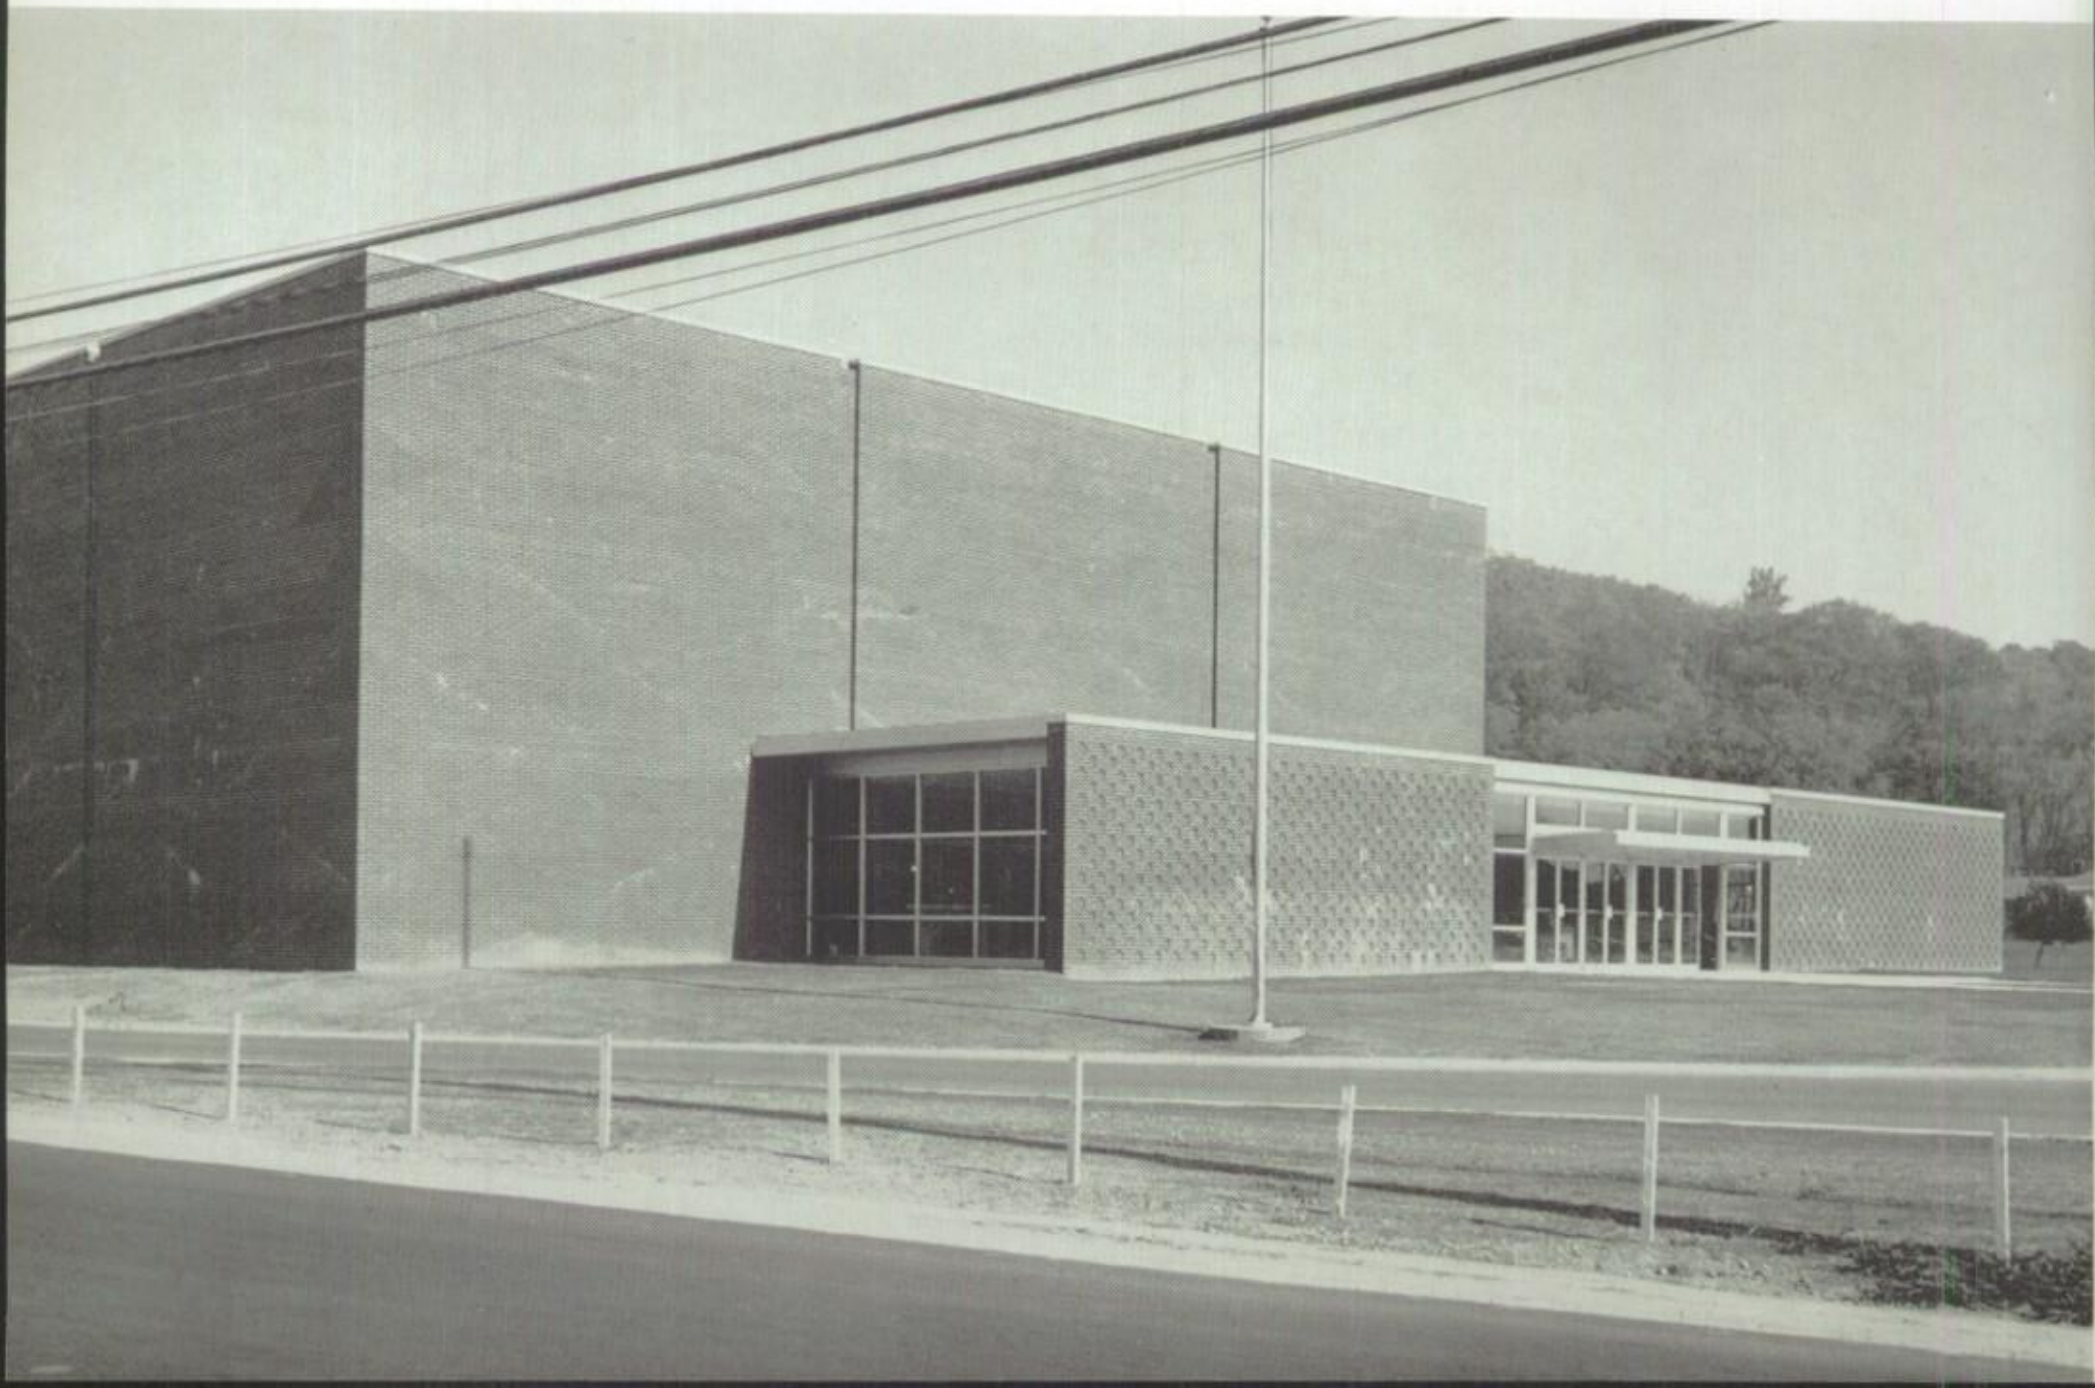

In planning for this new school building, the task was to develop educational specifications to meet the needs of a residential community located in the center of an important industrial area. The task was shared by school board members, authority members, administrators, the teaching staff, architects, engineers, and builders.

The new building is modern and functional. It provided facilities to meet the everchanging goals of secondary education.

In addition to housing the educational program, the new building provides a center for worthy community activities. It should be a source of continuing pride and inspiration to the citizens of the Beaver Area who share in its ownership.

The new  
and  
the beautiful

# 1960 may day

The outbreak of beauty which Nature makes at the end of April and the beginning of May excites a mad happiness which goes abroad over the earth, that Nature, long dead and cold, lives and smiles again. And so, we too celebrated the coming of May with the traditional festivities.

The girls' gym classes under the direction of Mrs. Richard Riggs presented their adaptation of May Day in Old England. While Milkmaids, Chimney Sweeps, Hobby Horses, and Robin Hoods danced, the senior girls, whose fresh radiance was a perfect complement to the beauty of spring, provided the beautiful background. The celebration came to an end with the traditional May Pole Dance.

# administration

In the person of Dr. Chandler B. McMillan we find a capable man who is well-equipped for the many duties of his office. He must be able to look at our educational system from all viewpoints, and then decide on the proper procedure for improvement. Although we see him infrequently we realize that he is kept busy by such various duties as selecting teachers, purchasing textbooks, supplies and numerous other items. We would like to express our thanks for the time and effort Dr. McMillan has put forth in keeping our entire system running smoothly. Mr. McClements, Mrs. Hawkins, and Miss Johnston, also deserve a note of thanks.

We express our appreciation for his untiring efforts on our behalf.

May we also express our thanks to Mr. Higbee, the assistant principal, to Mrs. Hagerty, the secretary and to Mrs. Hogsett for their individual part in running the offices so efficiently.

As students in Beaver Area High School we are working toward that time when all our hopes and dreams for the future become reality. When we enter high school these ambitions seem eons away and we have few plans prepared. With the aid of our competent guidance counselors, Mrs. Beulah Cook and Mr. Frank Rogers, we begin to formulate plans for our future after graduation. These devoted persons never fail to listen, advise, and investigate when we go to them for assistance.

We deeply appreciate their co-operation and would like to thank them for their never ending service.

### JANET HARVEY

Janet Harvey, born September 30, 1943, is a real inspiration to all who know her.

Polio struck Janet when she was in 8th grade. She has been tutored ever since. This year, though, she actually attended B. H. S. from September until Thanksgiving.

Although handicapped, Janet is an excellent student and always maintains a cheerful disposition.

She is widely read in literature and science, and an encyclopedia is her constant "companion."

She is able to type well with the aid of special apparatus. She not only types all of her homework assignments, but also does most of her father's business correspondence.

She has had some rehabilitation training at Children's Hospital in Pittsburgh.

Janet, we're proud to have you in our class of '61.

## In Memoriam

*One short sleep past, we wake eternally,  
And Death shall be no more.*

*John Donne*

Carol, Eddie, and Bob were members of the class of 1961 until their untimely deaths. We, who knew them, miss them and regret their passing.

Carol and Eddie met death tragically in automobile accidents. Bob entered the hospital shortly after school started last fall and eventually succumbed to a brain tumor.

We, the class of 1961, express our sorrow at their passing and dedicate this page in our Shingas to their memory. We know that our classmates will remain long in our memory.

Membership in the National Honor Society is the justification for outstanding character, leadership, service and scholarship.

Alpha Chapter initiated a new educational concept this year. Members agreed to make themselves available for tutoring services to any student desiring such. Such fields as English, Social Studies, Mathematics, Science, and Foreign Languages were included in the program. It was felt that such a program would serve two distinct services—help for those students needing it, and advancing the cause of education in general.

Officers for the year were: Tom Hied, president; Margaret Yohe, secretary-treasurer; Mrs. Genevieve Hokman, sponsor.

## wind ensemble

In November 1960 the music department, for the third straight year, reorganized its instrumental group known as the Wind Ensemble. This year the Ensemble consisted of 47 members and was directed by Mr. Leslie H. Marietta.

The organization made its first public appearance in December. At that time the Wind Ensemble along with the Triple Trio, a girl's choral group, presented a Christmas Program for the Band Parent's Organization. The group played on numerous other occasions: two of which were the Christmas assembly and the dedication of the school. Finally the largest program presented by the Ensemble was that of an invitational concert in the spring of the year.

## swing band

"Dance, anyone?"

Mellow saxophones, swinging trumpets and trombones, a tinkling piano, and a hot set of drums—this is what makes up the Bopcats, Beaver High School's 17 piece swing band. Under the direction of Mr. Leslie H. Marietta, they have pleased countless numbers with their popular dance tunes.

During the year, they supplied the music for two adult dances sponsored by the Band Mothers, one in the fall and another in the spring. Money from these dances was put into the uniform fund.

The Bopcats also provided entertainment between the acts of the class plays and they were featured in the annual spring band concert.

## beaver area high school band

The 115 member Beaver Area High School Marching Band opened the school year by presenting ten varied and unique half-time shows. Under the direction of its leader, Mr. Leslie H. Marietta, the band appeared at the post office dedication, many local parades and many pep meetings. As the football season ended, practice began for the annual band concert, which was presented in the spring. The band banquet, the trip to Kennywood Park's Festival of Bands, and the distribution of band jackets to the Senior members were all major events in the 1960-61 band program.

Although the band requires many hours of hard practice, every member admits that the fellowship and enjoyment received is worth it all.

## concert choir

While we are looking at the music section of our school, we cannot help but especially note the new Concert Choir under the direction of Mr. Leslie Marietta. New interest has developed in this organization since last year's outstanding Mixed Chorus. The Choir of seventy-two voices is striving to give our school a new and better choir. The new Concert Choir has replaced the Mixed Chorus of preceding years and has shown us what can be achieved in two short years. They have many plans for the future and they have already begun a new tradition of exchanging Christmas Programs with Rochester.

We should also take notice of two new groups in our music department: Girls' Triple Trio and Boys' Octet. Girls' Chorus was seen in the Spring Concert.

The Old Oaken Bucket is symbolic of good fellowship between the high school students of Beaver and Rochester. Since its inaugural in 1949, it has been a highly sought after prize going to the winner of the annual Beaver-Rochester football game. In case of a tie, as in 1950 and 1959, the bucket resides in each school for six months.

The Old Oaken Bucket is presently resting in the Beaver Area High School trophy case after this year's Bobcat victory over the Rams by a score of 16-0. It is hoped that in future years the Bucket will remain in Beaver as a symbol of a Beaver victory over the cross-river rival, Rochester.

#### **BEAVER 19 SHALER 13**

The Cats capped the lid-lifter of the 1960 football season by downing the highly-touted Shaler Huskies. The game, which was marked with long runs by both teams, saw the Bobcats come from behind twice before they could claim victory. Beaver scored two touchdowns in the first quarter on a 75 yard punt return by Ed Snitger and a pass from Dave Mooney to Vince Binkoski. The game-winning tally came early in the fourth quarter when Jim Sanford scored from eight yards out.

#### **BEAVER 12 EAST PALESTINE 0**

Remembering the 20-8 pounding they took last year, the Berdellmen went to work to gain revenge from the East Palestine Bulldogs. After a close first-half defensive battle, the County-seaters began to move early in the third quarter. After a Bulldog punt was blocked, the Cats had the ball on the enemy's 11 yard stripe. Two plays later Beaver led 6-0. The final Bobcat tally came in the fourth quarter on a 44 yard off-tackle jaunt by Lauson Cashdollar. Victory number two was in the bag!

#### **BEAVER 22 MIDLAND 6**

The Bobcats' first bus ride ended on a highly successful note. After a slow start, the Beaver cleaters swung into high gear and trounced the Midland Leopards. Lauson Cashdollar opened the scoring in the second period with a 44 yard run. The Maroon and Grey picked up two more points in the same period with a safety. Beaver added two more tallies in the third stanza on runs of 8 and 7 yards by senior halfback Don Novac. The lone Midland score came late in the fourth quarter against the Beaver reserves, who gained valuable experience playing almost all of the fourth period.

#### **BEAVER 14 HOPEWELL 10**

An explosive fourth quarter rally enabled the Cats to sink the big, fast Hopewell Vikings. Late in the third stanza the Norsemen had a big 10-0 lead, and it was beginning to look like the end of Beaver's victory streak. Then an explosion occurred that sent the Vikings' victory-ship to the bottom. With Beaver on their own 25, Cashdollar started the ruckus with a 57 yard run to the Hopewell 8 yard stripe. One play later the score was 10-7. The final tally came with 1:12 seconds left in the game when Dave Mooney ended a 76 yard drive by skirting left end for the essential 6 points.

#### **BEAVER 12 NEW BRIGHTON 7**

Another sensational last-minute rally kept Berdell's cleaters in the thick of the Class A race as they edged by the fired-up New Brighton Lions. The first half was complete frustration for both teams as neither could pose a serious threat. The Lions scored in the third quarter after they recovered a Bobcat fumble on the Maroon and Grey 12 yard stripe. The Cats scored on the last play of the same quarter on a beautiful 57 yard aerial from Dave Mooney to Ed Snitger. The game-winning tally came with 57 seconds left in the game when Mooney snuck over from the 1 yard line.

### BEAVER 7 FREEDOM 0

The County-seaters passed a big test when they downed the rugged Freedom Big Red. The only score of the game came in the second stanza on an eight yard pass to Ed Snitger, who ran the P.A.T. The Big Red put on only one serious threat, coming late in the first half, but it was snuffed out when the Bobcat defenders intercepted a pass on the Beaver 4 yard line. The Cats showed their best all-around form of the season with a strong defense and a well-balanced offense. This big win gave Caketown fans a vision of greater honors . . . W.P.I.A.L. honors.

### BEAVER 13 NORTH ALLEGHENY 13

Saturday, October 22, would have been a good day to stay in bed! The Beaver cleaters left North Allegheny about 4:30 that afternoon, still trying to figure out what had happened. A good guess would be that lady luck took the day off. The frustrated Bobcats could do no right, and the pass-happy Tigers could do no wrong. Beaver scored both touchdowns in the second period. The second and story-telling extra point was wide of the mark. North Allegheny scored their second tally in the fourth quarter on a fantastic pass play. Beaver now had a record of 6-0-1, and they were still in the Class A race.

### BEAVER 27 MONACA 6

The revitalized Beaver Bobcats took out their revenge as they literally bombed the hapless Monaca Indians. Three of the Bobcat tallies came on passes from Dave Mooney to Vince Binkoski. The Cats got rolling early in the initial period after Binkoski intercepted an Indian aerial on his own 45 yard stripe. The Berdellmen used the pass interception as a deadly weapon by inter-snagging five Monaca aerals from the hands of their intended receivers. Dick Forsythe, the hard-working senior fullback, scored the final tally in the third quarter when he raced 63 yards to paydirt . . . Eight down and one to go!

### BEAVER 16 ROCHESTER 0

The last victory of the regular season was the one the Bobcats had awaited for a long time. With just one more victory needed to gain the coveted playoff berth, Berdell's chargers proceeded to pound the once-powerful Rochester Rams. Both Beaver touchdowns came in the second quarter on pass plays from the reliable combination of Mooney to Binkoski. The Cats added a safety in the third quarter. The Bobcats completely dominated the game and the scent of victory was sweet after many years of losing at the hands of Rocky.

## SEWICKLEY AREA 14 BEAVER 7

For the first time in the history of B. A. H. S., the Bobcats battled for the W. P. I. A. L. Class A football championship. Showing tremendous spirit, the fired-up Cats outclassed the big and heavily favored Bisons during the first half. The Berdellmen scored their only touchdown in the second quarter on a one yard plunge off right tackle. The Bisons scored both their tallies in the fourth after they recovered two costly fumbles on the part of the Bobcats. Sewickley's last touchdown came with only 51 seconds remaining in the game. The hard-fought contest climaxed the best season that the Maroon and Grey has ever known with a final record of 8-1-1.

## tennis--1960

Tennis is a dormant sport in most high schools in the valley. Beaver is not one of those schools. Under the expert coaching of Mr. David McIsaac the tennis team has displayed burning desire in carrying out its schedule. The boys on the squad have gained valuable experience and things look good for the coming season. Last season the team won two out of five matches. Although this doesn't sound so good, it must be remembered that the season before that the team didn't win a match. With this encouraging note, we are sure that the tennis team will bring it's share of honor to Beaver High.

## kay lewis award

Kay Lewis, a member of the Beaver Class of 1947, was an outstanding varsity and intramural athlete in both high school and college. His sense of sportsmanship and athletic drive so impressed his Sigma Chi Fraternity brothers that, after his death, they founded the annual Kay E. Lewis award in his memory. This award is made by the North Carolina chapter of the Sigma Chi Fraternity to the Beaver Area High School boy who best represents the Kay Lewis spirit in either intramural or varsity athletics.

Selection of the trophy winner is determined by a committee consisting of the entire Beaver coaching staff; Mr. Paul Jones, representing the intramural program; Mr. Donald Higbee, faculty manager; Dr. William Charlesworth, high school

principal; and two senior boys who do not participate in athletics.

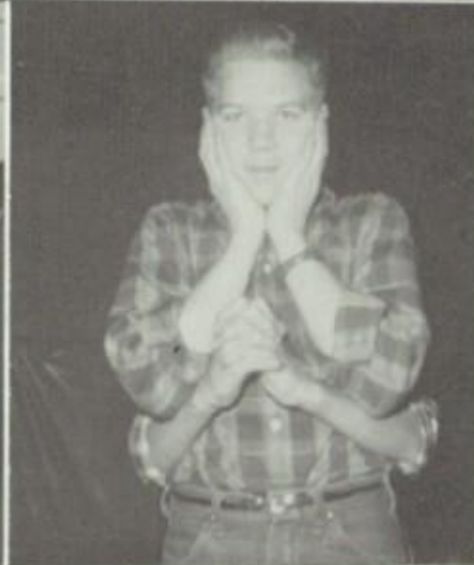

Mike Sanford was selected by the committee to receive the Kay Lewis Award in 1960. Mike's quiet, gentlemanly personality made him a favorite among the student body, and his burning desire to win made him a worthy opponent of the teams he met in the fields of action. Mike also possessed a high quality of leadership. He lettered in baseball, basketball, and football. He is continuing his participation in athletics at Edinboro State College where he is a member of the football team.

Former winners of the award were Bob Richards, 1953; Kent Black, 1954; Don Hayes, 1955; Anthony Taormina, 1956; Bob Garvin, 1957; Drew Ward, 1958; and Steve Ratey, 1959.

# junior high school

At long last the Junior High has a place of its own. After occupying the old Market Street building for so many years, it is a pleasure to be now located in the buildings on College Avenue. Its condition, environment, and accommo-

dations are far superior to the original school building. This new educational center provides us with ample space for class rooms as well as supplying us with a much needed gymnasium, auditorium, and cafeteria.

#### Custodial Staff

Mr. J. Bayes, Mr. A. McLaughlin, Mr. C. McConnaughy, Mr. R. Lentz

We cannot close our Shingas without saying a word of thanks to our custodian staff.

Cliff McConnaughy, who came with us from the old high school, has earned our many thanks by performing the many and varied duties of the daytime custodian.

To the other men, who make up the night crew, we offer our thanks for keeping the rooms and halls of our beautiful new school always clean and orderly.

We think they have done a superb job of keeping our surroundings immaculate and cheerful.

Walt,  
Loads of luck in the  
future to a real nice  
kid. You are bound  
to get a head if you  
keep on working. Try  
and forget the fun  
we had when we  
were seniors.

Keith Fuller

Walt,  
Remember all  
the fun we had in  
Economics class and  
Mech. Drawing II.  
Lots of luck.  
Mike Rodden

Walt,  
Best of luck to a  
nice guy. I hope  
your life is a good  
as your pole vaulting  
Ed Ewing

Walt,  
Best Wishes to a

Walt,  
It's been fun  
knowing you this  
year, even though  
I did have to put  
up with your "wide  
cracks". (Hahaha) Seriously  
I want to wish you  
all the luck in  
the world to a  
real sweet  
upper classman.

Always,

Shirley  
McBrien

Dear Walt,  
Here's hoping all your  
future years may be as  
much fun as I know  
this year has been. I know  
that I bothered you at times  
but we also had fun.  
Be good next year but  
behave.

Always a friend  
Lucy Rice

Walt, you  
may or may not  
attain success  
in whatever career  
you pursue.  
Remember Economics  
and Mr. Patrick. God  
bless and keep you  
always. P.M.A.

Dear Walt,

I'll never forget all the fun we've had together this year and I hope you won't either. Remember all the football dances, the time we rode out to your house with Wayne and Donna. Boy, I thought I'd never get over that! I'll always remember all the telephone conversations we've had. Remember all the big dances we went to, especially the Prom. It was a lot of fun staying up with you all night long, even though you were a little sleepy. I'll never forget that time we went bowling. Wasn't my average for 2 games something like 56? It was an ordeal for me to get such a low score. I'll ever be thankful to

Lorraine Blistan for "fixing" us up at the beginning of the year. I wish I had it all to do over again and I wish this year would never end. I guess it's too late for you to flunk your Senior year. I hope your graduation won't mean good-bye.

Love always,

Calleen
